CEROC DANCE SOUTH AFRICA 2022

Welcome to Ceroc Dance 2022. At Ceroc we aim to equip you with fun survival moves for the dance floor. You are welcome to attend any group class without booking. Give yourself at least 4 classes to get into the swing of things.   It's best to attend beginners for 3 months and then branch out to the advanced classes and workshops. No partner needed as classes are rotational. (If you find this a scary thought then ask about our private classes). Ceroc teaches a basic sokkie and loads of great dips spins and drops.   It is addictive. So, clear your social calendar and we will see you at Ceroc.

What to expect and what we teach.

GROUP CLASSES OFFERED FOR ONCE OFF CLASSES AND MEMBERSHIPS

They are rotational and which provides space for repetition without getting bored. This creates an enjoyable atmosphere as everyone is in the same boat and you will briefly get to meet most people in the rotation. After class is freestyle for about an hour.
